

## Sun Country Airlines and Major League Soccer Sign New Five-Year Charter Contract

October 27, 2021

MINNEAPOLIS, Oct. 27, 2021 (GLOBE NEWSWIRE) -- [Sun Country Airlines](#) (NASDAQ: SNKY) today announced a new five-year agreement to provide charter service to all Major League Soccer (MLS) teams.

The agreement is set to begin in 2022 and builds on a relationship between Sun Country and the league that developed over the last year. Sun Country Airlines began providing charter service to MLS during the summer of 2020 when the league returned to play following its COVID-19 hiatus. This new agreement provides for charter services pursuant to the requirements in the league's Collective Bargaining Agreement.

"MLS is a phenomenal organization and our partnership with them validates Sun Country's ability to operate in all segments of the charter business, including professional sports," said Grant Whitney, Sun Country Airlines Chief Revenue Officer. "Our demonstrated capability of flying MLS teams to destinations across North America is a testament to our operational capabilities and the dedication of our great Sun Country employees."

"Sun Country Airlines has provided MLS with exceptional service over a very challenging year and a half", said Mark Abbott, President and Deputy Commissioner of MLS. "Under our most recent CBA, the League committed to provide travel by charter for a certain number of legs per season and Sun Country will be an extraordinary partner in helping MLS meet this requirement."
