All trips booked on [suncountry.com](#) that include Landline motorcoach segments guarantee travel to and from MSP on a 35-passenger motorcoach featuring onboard amenities such as reclining leather seats with in-seat power, free Wi-Fi and onboard entertainment.

"We are pleased to introduce Landline motorcoach connections alongside our existing Landline Select service to St. Cloud," said Landline CEO David Sunde. "With more schedule options and even lower fares through our partners at Sun Country, customers will have even more opportunities to easily access their favorite travel destinations."

Earlier this year, Sun Country and Landline announced the addition of Landline Select, a seamless door-to-door private shuttle service connecting Brainerd, Minn., Rochester, Minn., St. Cloud, Minn., La Crosse, Wis. And Eau Claire, Wis. to more vacation destinations.

Sun Country Airlines and their partner Landline began service in Duluth, Minn. and Mankato, Minn. in 2019.
