## **SUN COUNTRY AIRLINES BRINGS THE AIRPORT TO YOUR DOORSTEP WITH NEW DOOR-TO-DOOR SERVICE**

*Sun Country Airlines introduces Sun Country Door-to-Door, making it easier than ever to begin your next vacation from your front door.*

**MINNEAPOLIS. September, 28, 2021** – [Sun Country Airlines \(NASDAQ: SNCY\)](#) Sun Country Airlines, through a partnership with Landline, today announced Sun Country Door-to-Door, a new private home pickup service that brings the airport to your front door. With Sun Country Door-to-Door, your home is the gateway to your next getaway.

Sun Country Door-to-Door picks you up at your front door in a luxury vehicle perfectly timed for your connecting flight, checks your bags, then connects you through Minneapolis-St. Paul Airport (MSP) to your final vacation destination. On your ride to the airport, you can settle in and enjoy the free Wi-Fi, onboard entertainment, refreshments and hassle-free experience Sun Country is known for.

“We know convenience and comfort are important to our guests, so we’re excited to introduce Sun Country Door-to-Door to our customers,” said Brian Davis, Sun Country Airlines Chief Marketing Officer. “With Sun Country Door-to-Door, travelers don’t have to worry about getting to the airport on time, navigating parking ramps or waiting in lines at the check-in counter or security. Our partnership with Landline allows us to provide folks a seamless travel experience where the minute you step out your front door, you’re on your way—let us handle the rest.”

Sun Country Door-to-Door is available to any Sun Country customer who lives within 30 miles of the Minneapolis-St. Paul International Airport. The service will pick up as many as four passengers in a luxury, private vehicle and transport them with their baggage directly to MSP. Once a guest checks in with their driver, their baggage will be checked for them at the airport through to their final destination, so they can skip the ticket counter and proceed through security directly to their gate. The Door-to-Door booking includes priority boarding and access to expedited security screening. Once a customer books their Sun Country Door-to-Door experience, a Landline representative will contact them directly to confirm their home pick up details.

“Imagine never asking yourself ‘what time do I need to leave for the airport?’ again. With this transformational new product, Sun Country and Landline handle all the details for you,” said David Sunde, co-founder and CEO of Landline. “We pick you up at the perfect time for your flight, we take care of your bags, and you even enjoy access to the priority screening line at the Terminal 2 checkpoint. We are thrilled to work with our partners at Sun Country to bring the airport right to your front door.”

This seamless process means you can start relaxing the minute you step out your front door to begin your getaway. The service is expected to begin in November of this year. One-way fares range from \$30-95 per person.
